Ultimate Guide to the Heuer/ TAG Heuer 2000. While the iconic TAG Heuer models of today are the Monaco and Carrera, things were very different ten years ago when the re-editions were merely a novelty, rather than mainstream models. The 1000 and 2000 Series were the models that came to symbolise TAG Heuer, but while the 1000 was the first TAG Heuer diving watch, it was a relatively simple range that changed little over the years.

Many professional, or disciplinary, societies were founded to support the single disciplines for which they are named. 1 And yet in recent decades, these societies, like many other organizations, have been increasingly called on to expand their relationships to new fields of research. In addition, a new breed of professional society has arisen, mostly after World War II, that is primarily ...
