After The Cold War International

After the Cold War explores these continuities and discontinuities in five areas: trade, international public finance, foreign direct investment, environmental protection, and military security.

After the Cold War: International Institutions and State ...

The first section will look at the rise and embryonic influence of the global South in post-Cold War international relations and expose the waning appeal and dominance of Western monopoly on IR theory. The second section will be an outline of moral and cultural relativism in IR. It also manifests an activist variant of International relations.

International Relations Theory after the Cold War: China ...

Post-Cold War era is the period after the end of the Cold War. Because the Cold War was not an active war but rather a period of geopolitical tensions punctuated by proxy wars, there is disagreement on the official ending of this conflict and subsequent existence of the post-Cold War era. Some scholars claim the Cold War ended when the world's first treaty on nuclear disarmament was signed in 1987, the end of the Soviet Union as a superpower amid the Revolutions of 1989 or when the Soviet ...

Post-Cold War era - Wikipedia

The end of the Cold War was the result of a plural mix of factors: both force and diplomacy; both pressure and détente; both belief and disbelief in the reformability of communism; both civil resistance in some countries and guerrilla resistance in others; both elite action and street politics; both nuclear deterrence and the ideas of some of its critics; both threat and reassurance; both nationalism in the disparate parts of the Soviet empire and supranationalism in the European Community.

International Relations after the Cold War - ROBERTS ...

International Relations after the Cold War came across a truly robust response to the pressure to set targets, courageously and successfully expressed in the immortal words of the USSR Deputy People's Commissar for Foreign Affairs, Maxim Litvinov, in 1929: Unlike other Commissariats, the Commissariat for Foreign Affairs cannot, unfortunately,

International Relations after the Cold War

The Cold War came to an end. The Warsaw Pact died a natural death. The collapse of the erstwhile USSR became a reality. In place of the erstwhile USSR, Russia emerged as the successor state.

Changes in International Politics after Cold War

In the post-Cold War era both Russia and China are changing unpredictably. Nye argues that "efforts by the democratic great powers to engage China and Russia in the international community and to urge them to make their intentions and military forces transparent are the best means of limiting the potential for conflicts."[p. 69] This policy has seen some success with China.

Summary of "International Conflicts After the Cold War ...

The Cold War ended in 1991 with the collapse of the Soviet Union, in part motivated by the different nations that made up the Soviet Union who wanted to become independent. After the Soviet Union...

Civil Wars in the Post-Cold War International System ...

In retrospect, the course of the Cold War appears to have been cyclical, with both the United States and the U.S.S.R. alternating between periods of assertion and relaxation. In the first years after 1945 the United States hastily demobilized its wartime military forces while pursuing universal, liberal internationalist solutions to problems of security and recovery.

Cold War History. Since its establishment in August 1991, the Cold War International History Project (CWIHP) has amassed a tremendous collection of archival documents on the Cold War era from the once secret archives of former communist countries. CWIHP has become internationally recognized as the world's preeminent resource on the Cold War.

Cold War - Wilson Center Digital Archive

Alliances that have specific institutional assets for dealing with instability and mistrust and general institutional assets will be adaptable to environments that lack threats. I assess these hypotheses in a test case of NATO's institutional assets during and after the Cold War.

Institutional Assets and Adaptability: NATO After the Cold War

This deeply insightful analysis of an important subset of post-Cold War regimes is conceptually innovative and precise, empirically ambitious, and theoretical agile, moving fluidly between international and domestic causes of regime dynamics.
