Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page.

### Data Wise Revised And Expanded

The first edition of Data Wise provided educators with a highly useful and understandable way to make sense of data in school districts, schools, and classrooms. Readers of this revised and expanded edition will value the opportunity to discover new ways of thinking about what students should learn, why they should learn it, and how they should be taught.
