Study Bibles aren't just for people learning how to read the Bible for beginners, either. I've read the Bible for decades now, and I STILL learn a lot from reading the notes in my study Bible. (The pictures above are from an updated version of the NIV Study Bible I own and use regularly) For example, a typical study Bible may contain:

### How to Read the Bible (Easy Instructions for Beginners!)

It is well understood that the primary guiding document for project planning is the Project Management Plan (PMM), which integrates and consolidates a number of subsidiary plans, including the Schedule Management Plan (SMP). This SMP provides initial guidance and tailors general time management planning for specific project use when performing the time management processes.

### Design and Development of a Schedule Management Plan (SMP)

A glazier is a tradesman responsible for cutting, installing, and removing glass (and materials used as substitutes for glass, such as some plastics). They also refer to blueprints to figure out the size, shape, and location of the glass in the building. They may have to consider the type and size of scaffolding they need to stand on to fit and install the glass.
