Human rights recognise the inherent value of each person, regardless of background, where we live, what we look like, what we think or what we believe. They are based on principles of dignity, equality and mutual respect, which are shared across cultures, religions and philosophies. They are about being treated fairly, treating others fairly and having the ability to make genuine choices in ...

What are human rights? | Australian Human Rights Commission

Human rights, rights that belong to an individual or group of individuals simply for being human, or as a consequence of inherent human vulnerability, or because they are requisite to the possibility of a just society. Whatever their theoretical justification, human rights refer to a wide continuum of values or capabilities thought to enhance human agency or protect human interests and ...
