Nursing malpractice, or nurse negligence, occurs when the negligence

Online Library Nursing Malpractice Foundations Of Nursing Malpractice Claims

of a nurse causes injury to a medical patient. This usually occurs in a hospital setting, but it can also happen in a retirement home, convalescent home, or at a private residence- in short, wherever a nurse works.

Nursing Malpractice | LegalMatch
Specifically, nursing malpractice or

Online Library Nursing Malpractice Foundations Of Nursing Malpractice Claims

negligence refers to a nurse failing to adequately complete his or her tasks, ultimately resulting in harm to the patient. Failing to properly monitor vital signs or administering the wrong medication can be life-altering errors, and sometimes even fatal.
