has very little to do with actual war. The costly destruction of life and resources should be the very last alternative. What you are really trying to do in the art of war is to get your enemy to defeat themselves by making them believe the fight is unwinnable or that they have already won by embracing your way of thinking.

## **Psychological warfare - Wikipedia**

Psychological warfare,  
also called psywar, the  
use of propaganda  
against an enemy,  
supported by such  
military, economic, or

# File Type PDF The Art Of

psychological measures as  
may be required. Such  
propaganda is  
generally intended to  
demoralize the enemy,  
to break his will to fight  
or resist, and  
sometimes to render  
him favourably  
disposed to one's  
position.

## **Psychological warfare | Britannica**

Psychological warfare  
was in fact the  
foremost weapon in

# File Type PDF The Art Of

the subjugation of African people. As outlined in the CIA documents one of the main aims of psychological warfare is to undermine the enemy's capacity to resist through demoralization. The documents outline how this is done through inducing several psychological states.

**Psychological  
Warfare - ThoughtCo**

The 36 Stratagems is an ancient collection of Chinese proverbs on warfare. Most are based on the art of deception and use subtle psychological techniques to undermine an enemy's will to fight. The work contains proverbs so universal that they have become clichés.
