The Practice Of Everyday Life

" The Practice of Everyday Life, published in 1974 and now the first of his books available in English translation, offers ample evidence why we should pay heed to de Certeau.... the work all but defies definition. History, sociology, economics, literature and literary criticism, philosophy, and anthropology all come within de Certeau's ken."

The Practice of Everyday Life: de Certeau, Michel, Rendall ...

The Practice of Everyday Life is a book by Michel de Certeau that examines the ways in which people individualise mass culture, altering things, from utilitarian objects to street plans to rituals, laws and language, in order to make them their own. It was originally published in French as L'invention du quotidien.

The Practice of Everyday Life - Wikipedia

The Practice of Everyday Life. Michel de Certeau considers the uses to which social representation and modes of social behavior are put by individuals and groups, describing the tactics available to the common man for reclaiming his own autonomy from the all-pervasive forces of commerce, politics, and culture.
