A string quartet is a musical ensemble of four string players – two violin players, a violist and a cellist – or a piece written to be performed by such a group. The string quartet is one of the most prominent chamber ensembles in classical music, with most major composers, from the late 18th century onwards, writing string quartets.

History of the String Quartet | Music Appreciation

The Classical string quartet form was created by Joseph Haydn in the late 1750s. He is described as the "father" of the string quartet because in his total of sixty-eight quartets he developed this genre into its first maturity. The string quartet features four parts for two violins, viola and cello.
