"Play and Play" teaches children and young beginners game songs and folk songs, which the student can learn to play on the piano and keyboard on their very first lesson. Diane Engle wrote "Play and Play" based on the Kodály Piano Teaching Method, and over 30 years of teaching, both school music and piano. This well tested child developmental approach for learning to play the piano: Follows the way a child learns naturally in a step-by-step sequence for simple application, Relates to a child's own physical and intellectual development for deep musical learning, and Progresses from activities through game to song to music symbols with ease and lots of fun! The piano music is taken from an extensive collection of children's songs, folk songs from around the world, including American folk songs, game songs, art music, and the music of the classical masters. Each song has an illustrated color sheet that engages the student and makes the learning exciting. "Play and Play" is fun, easy and the best way for your child to learn piano! Following on from his best-selling 'How To Play Keyboard' and 'My First Keyboard' books, Ben Parker brings together 30 Fun and Easy Keyboard Tunes that are perfect for new beginners. Ben Parker is an established professional musician, songwriter and producer with over 10 years of musical teaching experience. His best-selling series of music tuition books for adults and children include *Guitar, Ukulele, Banjo, Piano and Keyboard*. Fun songs and lessons for young children to play including traditional and modern favourites. All the pieces in this book are written in duet form, with one part for the student and the other to be played by a teacher, parent or more advanced student. The books in the *Having Fun with Music* series are designed to provide teachers and parents with a complete method for teaching young children about the fundamentals of music

along with basic piano skills. The activities in these books were specifically created for children in kindergarten through the early elementary grades based on the developmental needs of this age group. Each lesson introduces basic musical concepts through games and other activities, and each unit concludes with a song to be sung and played. Children are encouraged to listen, to sing, to move, and to improvise at the keyboard, while also learning about musical notation. In addition to the piano activities in every lesson, each unit also contains optional activities for using a floor keyboard to promote whole-body learning. The Having Fun with Music series may be used by piano teachers, parents, grandparents, or anyone else who would like to share their own love of music with a young child. The Young Child's Second Piano Book is currently available. The Young Child's Third Piano Book will be available by Summer 2019. Make music with Mickey, Minnie, and friends! Whether you're a wannabe Mozart or are an experienced hand at
tinkling the ivories, the latest edition of Piano For Dummies has
what you need to take you to the next level in making beautiful
music using this much-loved and versatile instrument. Working as
an introductory course—or as a refresher to keep those fingers
nimble—you'll find information on getting started, improving your
technique and performance, and the best ways to practice until
you hit finely tuned perfection. And, along the way, you'll pick up
the techniques for different styles, including classical, blues, and
rock. In an easy-to-follow style, the book also helps you sharpen
your sight-reading. You can also tune in to audio and video online
to help you improve your creativity and discipline, as well as hear

and see that you're hitting the right notes. Choose the right piano
Know your keys Scale up for success Care for your instrument
Whatever you want from your love affair with the old "88," you'll
find enough right here to keep you hammering happily—and even
more proficiently—away for years to come! P.S. If you think this
book seems familiar, you're probably right. The Dummies team
updated the cover and design to give the book a fresh feel, but
the content is the same as the previous release of Piano For
Dummies (9781118900055). The book you see here shouldn't be
considered a new or updated product. But if you're in the mood to
learn something new, check out some of our other books. We're
always writing about new topics! (E-Z Play Today). Introducing
the E-Z way to reading music notes, chords, and learning musical
terms! Keyboards are among the most versatile of all musical
instruments, and many electronic keyboards today have special
automatic features and automatic rhythms. These features make
making music even more fun and versatile! If you've always
wanted to learn how to play the keyboard, this book is your first
step to success! Beginnings Book A provides easy-to-understand
instructions with popular songs and favorite tunes so you can
start playing music you know and love while learning to play! In
practically no time, you'll be performing some of your favorite
standards, including: Aura Lee * Danny Boy * He's Got the Whole
World in His Hands * Kumbaya * Lullaby (Cradle Song) * On Top
of Old Smoky * Simple Gifts * When the Saints Go Marching In *
Yankee Doodle * and more. This book also includes access to
online recordings of demonstration and backing tracks, so you
can listen to the demos to hear how the piece should sound, then
play along with the backing tracks to sound like a pro! Audio is
accessed online using the unique code inside the book and can be
streamed or downloaded. The audio files include PLAYBACK+, a
multi-functional audio player that allows you to slow down audio
without changing pitch, set loop points, change keys, and pan left
or right. Learning to play a musical instrument can transform

your life. The focus and concentration that you can gain, and the pride in learning how to do something new, is amazing and will really change the way that you look at life. And when you can impress your friends and family with the new skills that you are learning, all of the hard work will be worth it.
