Saving Kabul Corner May 06 2021 Twelve-year-old Ariana, a tomboy, and her ladylike cousin Laila, recently arrived from Afghanistan, do not get along but they pull together when a rival Afghani grocery store opens, rekindling an old family feud and threatening their family's livelihood.

Eyes That Kiss in the Corners Dec 25 2022 A New York Times Bestseller and #1 Indie Bestseller · A Bank Street Best Children's Book of the Year · A School Library Journal Best Book of 2021 · Included in NPR's 2021 Books We Love List · Featured in Forbes, Oprah Daily, The Cut, and Book Riot · Golden Poppy Book Award Winner · Featured in Chicago Public Library's Best Books of 2021 · 2021 Nerdy Award Winner · A Kirkus Children's Best Book of 2021 This lyrical, stunning picture book tells a story about learning to love and celebrate your Asian-shaped eyes, in the spirit of Hair Love by Matthew A. Cherry, and is a celebration of diversity. A young Asian girl notices that her eyes look different from her peers'. They have big, round eyes and long lashes. She realizes that her eyes are like her mother's, her grandmother's, and her little sister's. They have eyes that kiss in the corners and glow like warm tea, crinkle into crescent moons, and are filled with stories of the past and hope for the future. Drawing from the strength of these powerful women in her life, she recognizes her own beauty and discovers a path to self-love and empowerment. This powerful, poetic picture book will resonate with readers of all ages. "This tale of self-acceptance and respect for one's roots is breathtaking." —Kirkus (starred review) "A young girl finds beauty in her uniqueness." —School Library Journal (starred review) "A lyrical celebration of her eyes, their shape, spirit, and legacy." —Booklist (starred review) "A poignant testament to familial love and legacy." —Publishers Weekly Plus don't miss the beautiful

companion book from the same team: *Eyes That Speak to the Stars*.

[Murder at the Corners](#) Jun 07 2021

[The Four Corners of the Sky](#) Aug 21 2022 "There's humor and action aplenty, but *Four Corners* is also a warmhearted look at how we love and forgive. Five hundred and forty-four pages never seemed so short"—People, 4 stars, People Pick *The Four Corners of the Sky* is master storyteller Michael Malone's new novel of love, secrets, and the mysterious bonds of families. Malone brings characters to life as only he can, exploring the questions that defy easy answers: Is love a choice or a calling? Why do the ties of family bind so tightly? And is forgiveness a gift to others...or a gift we give ourselves? In small towns between the North Carolina Piedmont and the coast the best scenery is often in the sky. On flat sweeps of red clay and scrub pine the days move monotonously, safely, but above, in the blink of an eye, dangerous clouds can boil out of all four corners of the sky...The flat slow land starts to shiver and anything can happen. In such a storm, on Annie Peregrine's seventh birthday, her father gave her the airplane and minutes later drove out of her life. Thus begins an enchanting novel that bursts with energy from the first pages, and sweeps you off on a journey of unforgettable characters, hilarious encounters, and haunting secrets. Praise for *The Four Corners of the Sky*: "Devoted Michael Malone fans have been waiting more than twenty years for another *Handling Sin*, perhaps the greatest road novel since *Tom Jones*. The wait is over..."—Bill Ott, editor-in-chief, Booklist "Secrets and intrigues among the honeysuckle: a sun-washed yarn of the New South, affectionately told." —Kirkus starred review "The *Four Corners of the Sky* is the best thing I have read in years and you can imagine how much I read. Truly, I couldn't put it down. I loved it."—Kathy Ashton, *The King's English Bookshop* BONUS READING GROUP GUIDE INCLUDED

[Dark Corners](#) Jan 22 2020 "A spectacularly creepy and macabre tale" (*Entertainment Weekly*) of blackmail, murders both accidental and opportunistic, and of one life's fateful unraveling—from Ruth Rendell, "one of the most remarkable novelists of her generation" (*People*), writing at her most mesmerizing. Rendell completed *Dark Corners* shortly before her death in 2015. When his father dies, Carl Martin inherits a house in an increasingly rich and trendy London neighborhood. Cash poor, Carl rents the upstairs room and kitchen to the first person he interviews, Dermot McKinnon. That is mistake number one. Mistake number two is keeping the bizarre collection of homeopathic and alternative "cures" that his father left in the medicine cabinet, including a stash of controversial diet pills. Mistake number three is selling fifty of those diet pills to a friend, who is then found dead. Dermot seizes a nefarious opportunity and begins to blackmail Carl, refusing to pay rent, and creepily invading Carl's space. Ingeniously weaving together two storylines that finally merge in a shocking turn, Ruth Rendell describes one man's spiral into darkness—and murder—as he falls victim to a diabolical foe he cannot escape. This is brilliant psychological suspense that gets under your skin. As Stephen King says, "No one surpasses Ruth Rendell when it comes to stories of obsession, instability, and malignant coincidence." *Dark Corners*, her last book, "ranks among her best" (*The Washington Post*).

Dark Corners Jan 02 2021 When Carl sells a box of slimming pills to his close friend Stacey, inadvertently causing her death, he sets in train a sequence of catastrophic events which begin with subterfuge, extend to lies, and culminate in murder. In Rendell's dark and atmospheric tale of

psychological suspense, we encounter mistaken identity, kidnap, blackmail, and a cast of characters who are so real that we come to know them better than we know ourselves. Infused with her distinctive blend of wry humour, acute observation and deep humanity, this is Rendell at her most memorable and best.

Troy Jul 20 2022 Long before it was the site of shopping centers, corporate headquarters, and universities, Troy was a humble pioneer settlement comprised of farms and small knots of buildings at simple crossroads known as Troy Corners, Big Beaver, and Halsey Corners. School bells, church socials, and harvesting seasons punctuated the simple country lives of early Troy residents. The establishment of the Detroit United Railway in 1898 brought new opportunities to Troy settlers, rattling up Livernois daily and transporting passengers, milk, and freight between Flint and Detroit. By the end of World War II, Troy was rapidly changing. Subdivisions replaced farms, the township was incorporated as the City of Troy, and gracious homes and new businesses quickly replaced the clusters of clapboard structures. This book utilizes the remarkable resources of the Troy Historical Society and the Troy Museum & Historic Village to document and celebrate Troy's development over the course of two centuries.

Old Rail Fence Corners Feb 21 2020 This is an anthology of anecdotes about the Minnesota frontier, dating primarily from the 1840s and 1850s. The material seems to have been collected directly from original settlers who were still alive in the early twentieth century. There are abundant descriptions of early logging operations, agriculture, building practices, plagues, infestations, flora and fauna, and floods. Accounts of local culture range from descriptions of Indian-white relations to boarding-house life, foodways, dances and other festivities. Several settlers were attracted to Minnesota for the celebrated health of its climate; others recall its life-threatening cold.

Four Corners May 26 2020 "In Debra Bloomfield's southwestern landscape photographs, color and light glow with a luminosity reminiscent of a Rothko painting. Her images, which transcend the visible, reflect the eternal spirit and energy found in these sacred places."--Judith Golden, professor emerita, photography, University of Arizona, Tucson.

The Four Corners Abroad Apr 05 2021

The Four Corners Aug 09 2021 The town itself was one that stood at the foot of Virginia's blue mountains. The house where the Corners lived was on the edge of the town, facing a street which ended at the front gate. At the side of the garden another long street wound its way uphill and was called the old County Road when it began to go down grade. The house was a rambling old affair which had not been painted for some years and was, therefore, of an indescribable hue. One wing was shut up, but the remainder was made excellent use of by four lively girls, of whom the eldest was Nancy Weston. She was variously known as Nan, Nance or Nannie, though she greatly preferred Nannette and sometimes stealthily signed herself so. When she was, as her Cousin Phil expressed it, "on the bias," he often delighted to tease her by calling her Sharp Corner, but her Aunt Sarah often declared that West Corner suited her perfectly since from that quarter sprang up the briskest, as well as the most agreeable, of breezes.

Explorer's Guide The Four Corners Region Mar 16 2022 Explorer's Great Destinations puts the guide back into guidebook.

Murder at the Corners Sep 29 2020 Of all the painful times in the history of our country there is no period harder or more painful for more people than the years that followed the close of the War Between the States. The thoughtless and bigoted in the North rejoiced at the fall of the Confederacy, but there was no rejoicing among true Southerners. Almost every man, woman and child in the South suffered through these difficult and bewildering years. Over most of the stricken South it was a question of survival, and of saving what-ever was possible from the rapacious carpetbaggers, the unjust taxation, and the freed-men. This was bad enough. But in north-central Texas, where the counties of Grayson, Collin, Fannin and Hunt joined, the postwar misery was sharply and for long years augmented by the flaming of a dreadful feud. Captain Bob Lee, late of the Army of the Confederate States of America, was at the center of this feud. His was a personality and character that all too fatally fit-ted him for his

tragic role. Captain Bob and his family were educated, and at the time of their coming to Texas had brought with them an undetermined amount of gold from Virginia. It was this gold, and the native arrogance of the unconquered Confederate cap-tain, that gave birth to the blood-letting. Captain Bob's home district-the Corners had been infiltrated by Redlegs from Kansas, by renegades and bushwhackers. These ruthless men set out to get both the cap-tain and his gold. What success they had, and the circumstances surrounding the deaths of literally dozens of men on both sides of the quarrel, is told in the present book. The author has not only done an excellent job of hunting out the truth; the book is exceptionally well and clearly written, and the breathless reader will follow the course of escapes, robbery and murder with all the intense interest he would bestow on the very finest suspense novel

Cypress Corners Boxed Set (Books 1-3) May 18 2022 Welcome to Cypress Corners, Florida Three siblings, each affected in their own way by their father's desertion years earlier. Can this wild and beautiful place, and the people they meet there, show them how to heal themselves? Or will their patterns of the past keep them from finding happiness? JoMarie DeGioia's Cypress Corners series, Books 1-3 FINDING HARMONY A country girl committed to nature. A city guy with his eye on the bottom line. A battle of wills...a battle for balance And a love that can tip the scales TAMING JAKE The girl afraid of taking chances. The guy always looking for his next thrill. Staying on the ground or soaring through the air... Falling in love is the biggest risk of all. LOVING CASSIE The girl with a knack for getting into trouble The guy who comes to her rescue again and again Can he be the one to save her from herself? Or is she too much to handle?

Seeing Around Corners Dec 01 2020 "The first prescriptive, innovative guide to seeing inflection points before they happen--and how to harness these disruptive influences to give your company a strategic advantage. Paradigmatic shifts in the business landscape, known as inflection points, can either create new, entrepreneurial opportunities (see Amazon and Netflix) or they can lead to devastating consequences (e.g., Blockbuster and Toys R Us). Only those leaders who can "see around corners"-that is, spot the disruptive inflection points developing before they hit-are poised to succeed in this market. Columbia Business School Professor and corporate consultant Rita McGrath contends that inflection points, though they may seem sudden, are not random. Every seemingly overnight shift is the final stage of a process that has been subtly building for some time. Armed with the right strategies and tools, smart businesses can see these inflection points coming and use them to gain a competitive advantage. Seeing Around Corners is the first hands-on guide to anticipating, understanding, and capitalizing on the inflection points shaping the marketplace"

Nooks & Corners of Old Paris Oct 11 2021 DigiCat Publishing presents to you this special edition of "Nooks & Corners of Old Paris" by Georges Cain. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Darkest Corners Feb 27 2023 "Gripping from start to finish . . . with twists that left me shocked."—Victoria Aveyard, #1 New York Times bestselling author of Red Queen For fans of Gillian Flynn and Pretty Little Liars, *The Darkest Corners* is a psychological thriller about the lies little girls tell, and the deadly truths those lies become. There are secrets around every corner in Fayette, Pennsylvania. Tessa left when she was nine and has been trying ever since not to think about what happened there that last summer. She and her childhood best friend Callie never talked about what they saw. Not before the trial. And certainly not after. But ever since she left, Tessa has had questions. Things have never quite added up. And now she has to go back to Fayette—to Wyatt Stokes, sitting on death row; to Lori Cawley, Callie's dead cousin; and to the one other person who may be hiding the truth. Only the closer Tessa gets to what really happened, the closer she gets to a killer—and this time, it won't be so easy to run away. And don't miss Kara's next "eerie and masterly psychological thriller" *Little Monsters*—on sale now (SLJ)!

Nooks and Corners of the New England Coast Nov 12 2021

Little Monsters Mar 24 2020 For fans of *Pretty Little Liars*, comes a psychological thriller, from the author of *The Cheerleaders*, about about how when you're the new girl in town, you can't trust anyone, especially other teenage girls. Kacey is the new girl in Broken Falls. When she moved in with her father, she stepped into a brand-new life. A life with a stepbrother, a stepmother, and strangest of all, an adoring younger half sister. Kacey's new life is eerily charming compared with the wild highs and lows of the old one she lived with her volatile mother. And everyone is so nice in Broken Falls--she's even been welcomed into a tight new circle of friends. Which is why it's so odd when her closest friends, Bailey and Jade, start acting distant. And when they don't invite her to the biggest party of the year, it doesn't exactly feel like an accident. But Kacey will never be able to ask, because Bailey never makes it home from that party. Suddenly, Broken Falls doesn't seem so welcoming after all--especially once everyone starts looking to the new girl for answers.

The Remarkable Incident at Carson Corners Jul 28 2020

Dan Flavin: Corners, Barriers and Corridors Feb 03 2021 Showcasing Dan Flavin's "corner," "barrier," and "corridor" works, this catalogue explores the artist's core sculptural vocabulary and how his use of fluorescent light forged a new relationship between the art object and its surrounding architecture. This publication examines how Flavin's light works, which he described as "situations," function in space, occupying key positions that highlight how the rooms themselves are constructed. The exhibition is not only historically significant, as it mines early explorations in Flavin's practice, but many of the works are reproduced for the first time in plates that accurately capture their colors. Published on the occasion of the 2015 eponymous exhibition at David Zwirner, New York, *Corners, Barriers and Corridors* takes as its point of departure the artist's influential show, *corners, barriers and corridors in fluorescent light* from Dan Flavin, presented at the Saint Louis Art Museum in 1973. Above all, the photography reveals the unexpected and powerful interplay between the light of neighboring pieces and the space—the way the walls, floor, and various hues mingle to form unpredicted palettes that reveal what Michael Auping, following Donald Judd, calls the "exoskeleton." These works, with their immediate relationship to architecture, not only function as color experiments but as structural explorations in light, and in his essay, Auping explores how Flavin's investigations of corners, barriers, and corridors became an essential part of the way the artist understood space. This publication also features rarely seen photographs of Flavin installing his historic 1973 exhibition, as well as detailed notes by Alexandra Whitney about the works included in the St. Louis presentation. Designed by McCall Associates, in close collaboration with the Estate of Dan Flavin, this catalogue presents an especially significant body of work in a completely new way and offers a vital historical perspective on Flavin's practice.

Authorizing an Interpretive Center and Related Visitor Facilities Within the Four Corners Monument Tribal Park, and for Other Purposes Jun 26 2020

Carolyn of the Corners Dec 13 2021 DigiCat Publishing presents to you this special edition of "Carolyn of the Corners" by Ruth Belmore Endicott. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Four Corners of the World Aug 29 2020 Mr. Twiss was a great walker, and it was his habit, after his day's work was done, to walk from his pleasant office in the Adelphi to his home at Hampstead. On an afternoon he was detained to a later hour than usual by one of his clients, a Captain Brayton, over some matter of a mortgage. Mr. Twiss looked at his office clock. "You are going west, I suppose?" he said. "I wonder if you would walk with me as far as Piccadilly? It will not be very much out of your way, and I have a reason for wishing your company." "By all means," replied Captain Brayton, and the two men set forth.

Some Strange Corners of Our Country Feb 15 2022

Quiet Corners of Paris Oct 23 2022 More than eighty of the loveliest, most tranquil, and sometimes hidden places in Paris are celebrated in this charming guidebook *Quiet Corners of Paris* is a beautifully illustrated peek into eighty-one often overlooked, always beautiful, locales: hidden villas, winding lanes, little-known 19th-century passages, serene gardens, and cobblestone courtyards. Some of the places have breathtaking views, others are filled with historic and architectural details, from stone archways, garden follies, boxwood mazes, ornamental statuary, stained glass, and Renaissance fountains. Follow a stone path under a trellis of blossoms or wander through a gate to discover

The Darkest Corners Sep 22 2022 "Gripping from start to finish . . . with twists that left me shocked."—Victoria Aveyard, #1 New York Times bestselling author of *Red Queen* For fans of Gillian Flynn and *Pretty Little Liars*, *The Darkest Corners* is a psychological thriller about the lies little girls tell, and the deadly truths those lies become. There are secrets around every corner in Fayette, Pennsylvania. Tessa left when she was nine and has been trying ever since not to think about what happened there that last summer. She and her childhood best friend Callie never talked about what they saw. Not before the trial. And certainly not after. But ever since she left, Tessa has had questions. And don't miss Kara's next "eerie and masterly psychological thriller" *Little Monsters*—on sale now (SLJ)!

The Wire and America's Dark Corners Mar 04 2021 In post-9/11 America, while all eyes were on Iraq and Afghanistan, *The Wire* (2002-2008) focused on the dark realities of those living in America's disintegrating industrial heartlands and drug-ravaged neighborhoods, striving against the odds in its schools, hospitals and legal system. With compelling story lines and a memorable cast of characters, *The Wire* has been compared to the work of Tolstoy and Dostoevsky, with a level of detail rarely seen in a dramatic series. While the show garnered critical praise and a loyal following, a discussion of its political aspects--in particular Bush-era America--is overdue. This collection of new essays examines *The Wire* in terms of the War on Drugs, the racial and economic division of America's cities, the surveillance state and the meaning of citizenship.

Four Corners Mar 28 2023 In this masterful tour de force of nature writing, Kenneth Brown explores one of the most awe-inspiring regions on earth -- the Four Corners of Colorado, Utah, Arizona and New Mexico. Weaving together its geological, ecological and human histories, he presents a unique portrait of this ruggedly beautiful landscape that goes beyond mere description to give readers a true sense of the land in all its richness. Here are rock croppings that are 2 billion years old and broad desert valleys where rivers of lava cooled to form floors of solid rock. Here ancient hunter-gatherers stalked the woolly mammoth, four-story pueblos were carved by the Anasazi from sheer stone cliffs and an ancient midnight Holy Week ceremony is still practiced in a modern Spanish village. Providing a fresh perspective on a region currently enjoying an upwelling of interest, *Four Corners* is a fascinating study of one of the world's great wonders -- compelling reading for all science, nature, anthropology and travel aficionados.

A Killer Read Jan 26 2023 For the first meeting of the Ashton Corners Mystery Readers and Cheese Straws Society, six friends gather in Molly Matthews's old Southern mansion-including Lizzie Turner, a reading specialist with a penchant for mysteries. But the mystery book club meeting becomes the scene of an actual murder when a stranger is shot-and nobody knows who the victim is, or how Molly' antique gun came to be used as the murder weapon. Then Lizzie begins finding mysterious manuscript chapters in her mailbox. As she and the book club members try to read between the lines, Molly surfaces as the next name on the killer's list...

Seeing Around Corners Apr 29 2023 The first prescriptive, innovative guide to seeing inflection points before they happen--and how to harness these

disruptive influences to give your company a strategic advantage. Paradigmatic shifts in the business landscape, known as inflection points, can either create new, entrepreneurial opportunities (see Amazon and Netflix) or they can lead to devastating consequences (e.g., Blockbuster and Toys R Us). Only those leaders who can "see around corners"-that is, spot the disruptive inflection points developing before they hit-are poised to succeed in this market. Columbia Business School Professor and corporate consultant Rita McGrath contends that inflection points, though they may seem sudden, are not random. Every seemingly overnight shift is the final stage of a process that has been subtly building for some time. Armed with the right strategies and tools, smart businesses can see these inflection points coming and use them to gain a competitive advantage. *Seeing Around Corners* is the first hands-on guide to anticipating, understanding, and capitalizing on the inflection points shaping the marketplace.

The Eight Corners of the World Jul 08 2021

[Endeavor Doin's Down to the Corners](#) Sep 10 2021

City of Corners Oct 31 2020 John Godfrey IS New York, and these poems gaze unflinchingly into the city's dark heart.

Life at Four Corners Apr 17 2022 Defined less by geography than by demographic character, Block, Kansas, in many ways exemplifies the prevalent yet seldom-scrutinized ethnic, religion-based community of the rural Midwest. Physically small, the town sprang up around four corners formed by crossroads. Spiritually strong and cohesive, it became the educational and cultural center for generations of German-Lutheran families. In this book Carol Coburn analyzes the powerful combination of those ethnic and religious institutions that effectively resisted assimilation for nearly 80 years only to succumb to the influences of the outside world during the 1930s and 1940s. Emphasizing the formal and informal education provided by the church, school, and family, she examines the total process of how values, identities, and all aspects of culture were transmitted from generation to generation.

Dark Corners Apr 24 2020 BAFTA-winning writer Stephen Volk outraged the critics with his first screenplay, Ken Russell's Gothic, and shocked an unsuspecting nation with his notorious BBC TV Halloween hoax Ghostwatch. His new, gripping supernatural drama series Afterlife was called "Terrific television" (The Guardian) and "Unmissable" (Mail on Sunday). This first collection of his short fiction, like his best work for the screen, combines scenes of intense physical and psychological horror, with moments aching sadness and poignancy. Not without occasional stabs of black humour. Whether exploring traditional ghost stories reminiscent of the past, disturbing crimes of the present, or the wild imaginings of a far flung future, Volk delights in the dark corners of haunted houses and haunted people alike.

Corners of My Mind Jun 19 2022 This poetry book is entitled "Corners of My Mind" because it was the best way to describe the various thoughts and emotions that inspired the topics. We don't always feel the same way all the time; and we may be inclined to feel that our minds as well as our emotions are just all over the place. *Corners of My Mind* is a collection of poems that expresses those feelings of love, spirituality and victory over life's challenges. You will be able to relate and enjoy this collection that will leave you touched and inspired!
