Dorsetville is all aflutter. The housekeeper at St. Cecilia's rectory, Mrs. Norris, has quit in a huff, and the rectory is beginning to look like a college dorm. Valerie Kilbourne, a single mother, needs money for a very expensive operation for her twin daughters. And Lori Peterson, who has had her share of tragedies, will be asked to face another. Katherine Valentine's keen insights into human nature and extraordinary sense of humor make for characters you'll want to know for years. From the Trade Paperback edition.

Tribes Jan 16 2022 The New York Times, BusinessWeek, and Wall Street Journal Bestseller that redefined what it means to be a leader. Since it was first published almost a decade ago, Seth Godin's visionary book has helped tens of thousands of leaders turn a scattering of followers into a loyal tribe. If you need to rally fellow employees, customers, investors, believers, hobbyists, or readers around an idea, this book will demystify the process. It's human nature to seek out tribes, be they religious, ethnic, economic, political, or even musical (think of the Deadheads). Now the Internet has eliminated the barriers of geography, cost, and time. Social media gives anyone who wants to make a difference the tools to do so. With his signature wit and storytelling flair, Godin presents the three steps to building a tribe: the desire to change things, the ability to connect a tribe, and the willingness to lead. If you think leadership is for other people, think again—leaders come in surprising packages. Consider Joel Spolsky and his international tribe of scary-smart software engineers. Or Gary Vaynerhuck, a wine expert with a devoted following of enthusiasts. Chris Sharma led a tribe of rock climbers up impossible cliff faces, while Mich Mathews, a VP at Microsoft, ran her internal tribe of marketers from her cube in Seattle. Tribes will make you think—really think—about the opportunities to mobilize an audience that are already at your fingertips. It's not easy, but it's easier than you think.

With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Grace Will Lead Us Home Mar 18 2022 A NEW YORK TIMES NOTABLE BOOK OF 2019 * BARNES & NOBLE DISCOVER GREAT NEW WRITERS PICK * OPRAH MAGAZINE SUMMER 2019 READING LIST SELECTION * NEW YORK TIMES EDITOR'S CHOICE "A soul-shaking chronicle of the 2015 Charleston massacre and its aftermath... [Hawes is] a writer with the exceedingly rare ability to observe sympathetically both particular events and the horizon against which they take place without sentimentalizing her subjects. Hawes is so admirably steadfast in her commitment to bearing witness that one is compelled to consider the story she tells from every possible angle." —The New York Times Book Review A deeply moving work of narrative nonfiction on the tragic shootings at the Mother Emanuel AME church in Charleston, South Carolina from Pulitzer Prize-winning journalist Jennifer Berry Hawes. On June 17, 2015, twelve members of the historically black Emanuel AME Church in Charleston, South Carolina welcomed a young white man to their evening Bible study. He arrived with a pistol, 88 bullets, and hopes of starting a race war. Dylann Roof's massacre of nine innocents during their closing prayer horrified the nation. Two days later, some relatives of the dead stood at Roof's hearing and said, "I forgive you." That grace offered the country a hopeful ending to an awful story. But for the survivors and victims' families, the journey had just begun. In *Grace Will Lead Us Home*, Pulitzer Prize-winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy's aftermath. With unprecedented access to the grieving families and other key figures, Hawes offers a nuanced and moving portrait of the events and emotions that emerged in the massacre's wake. The two adult survivors of the shooting begin to make sense of their lives again. Rifts form between some of the victims' families and the church. A group of relatives fights to end gun violence, capturing the attention of President Obama. And a city in the Deep South must confront its racist past. This is the story of how, beyond the headlines, a community of people begins to heal. An unforgettable and deeply human portrait of grief, faith, and forgiveness, *Grace Will Lead Us Home* is destined to be a classic in the finest tradition of journalism.

Grace Can Lead Us Home Nov 13 2021 On any given night, more than half a million Americans and Canadians find themselves sleeping on the streets, in shelters, cars, and other places not meant for human habitation. Yet as this crisis continues to grow, it remains one of the least talked about—especially in churches. Even where compassion and empathy exist, the complexities around homelessness can make us feel stuck, overwhelmed, or numb to the existence of unhoused people in our cities and neighborhoods. Reporting back from his work in homeless services, minister and advocate Kevin Nye introduces readers to the Christ he's met in tents, shelters, and drop-in centers. He demystifies homelessness by journeying into complex issues like affordable housing, mental illness, addiction, and more, while reimagining our theological approach to these matters and educating us on how they intersect with homelessness. This thorough and intimate book shows us that from the margins, Jesus has something to teach us all about grace—something that could change the landscape of homelessness entirely if we're ready to hear it.

The Leader in Me Aug 11 2021 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? *The Leader in Me* is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B. Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught *The 7 Habits of Highly Effective People* to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

LEAD ME LORD Jun 28 2020 As he fell at her feet unconscious, Pam had no idea that her otherwise healthy eight-year-old son was suffering a very severe brain hemorrhage. Nor did she realize that she was taking the very first step of an arduous and painful journey that would demand so much of her. Led into the shadow of death, this grief-stricken mother had no choice but to embrace a very devastating cross and to reconcile it with the God she thought she knew. Seventy-three days in the hospital, she walked the path of Calvary with her son as he struggled to survive and breathe, to eat and walk once again. Through the chaos, confusion, devastation, and darkness, Pam found sparks of hope igniting at every turn. Hope in the truly miraculous. Hope in restoration. Hope in the God she had known and loved. This story of suffering and salvation is the journey of a soul who found the love of her God within the cross she was asked to carry. It is a journey of painful scars but of even greater blessings—a journey of tremendous suffering but also unfathomable grace. Between the covers of this book is a glimpse into the heart of one woman and her discovery of Christ within her wounds. For anyone suffering under the weight of a very heavy cross, this is a story of hope in the promises of God. A story of trust when the road is difficult. A story of countless blessings on the journey as a very battered Sam was brought forth from the grave and incrementally led to the resurrection—bringing his whole family and an entire community of believers with him. "And after you have suffered a little while, the God of all grace, who has called you to His eternal glory in Christ, will Himself restore, confirm, strengthen, and establish you" (1 Peter 5:10).

Lead Me, Guide Me Feb 02 2021 Father Dan Begin spent thirty-five years ministering among those who lived in the poorest neighborhood in one of the poorest cities in America—Cleveland, Ohio. He was one of thirteen children, full of stories of growing up in the fifties and sixties in a hardscrabble household of thirty-seven people on Cleveland's West Side. He was a white priest who was welcomed into the homes (and church communities and funeral homes) of African-American families, as well as those of celebrities and athletes. Father Dan was irreverent, articulate, and wise. When he was diagnosed with esophageal cancer in 2016, at the age of sixty-seven, the meaning of his life and ministry came into sharp focus. "Watch me through this," he told his family, friends, and parishioners. Just as he had always showed us how to live, at the end he showed us how to suffer and die with grace. In *Lead Me, Guide Me*, author Kathy Ewing describes the friendship she had with Father Dan and the profound effects his life had on her and hundreds of others by simply being an ordinary man who possessed extraordinary goodness and love.

Dare to Lead Jan 04 2021 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

As Aubrey and Maxx develop an attraction too intense to ignore, he pulls her into the dark underbelly of the city club scene, where she is torn by her desire to save him and an inexplicable urge to join him in his downward spiral. Worst of all, she is beginning to love everything she should run away from—a man who threatens to ignite in her a fire that could burn her alive...
