Planner: Funny Swearing Meal Planner + Exercise Journal for Weight Loss & Diet Plans Sir Isaac Harman, International Bread and Cake Magnate, suffers an onslaught of women. Waitresses strike at his London tea shops; invading dowagers drive him into hiding in his garden shed; his suffragist sister-in-law nabs his complimentary tickets to a Liberal meeting and goes on the rampage. Trembling, he locks up his mild young wife and underlines passages in *The Taming of the Shrew*. But things have gone too far-- Lady Harman picks up a poker and makes a break for freedom. Her exploits cause a

buzz at the smart dinner tables of literary, feminist and political circles. Everyone is full of advice, and no one is more eager than Mr. Brumley, the complacent middle-aged writer who finds himself transformed into a panting knight errant. But Ellen Harman outdistances all the men around her. H.G. Wells was known for his support for women's suffrage and was one of the most effective male voices for early feminism. *The Wife of Sir Isaac Harman* is a witty, sardonic and thoughtful novel about sex, society and women's independence. will love pulling the tabs to help Drake the Dragon as he prepares the perfect dish for dinner at the palace! It's the night before the royal banquet, and Drake the Dragon is in charge of cooking dinner! But will he be able to find the perfect meal before it's too late? Kids will love making Drake the Dragon take big bites of his culinary inventions in this interactive, yummy, adventure. "A Little Dinner at Timmins's" by William Makepeace Thackeray. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and

non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. A magazine of tales, travels, essays, and poems. In over 200 recipes, Jessica Fisher shows time-pressed cooks how they can eat remarkably well without breaking the bank. Good Cheap Eats serves up 65 two-course dinners, consisting of a main dish and a

substantial side, salad, or soup, all of which take 30 minutes or less to prepare. And as a mother of six and a busy parent, she shows home cooks how to get dinner on the table quickly and inexpensively without relying on heavily processed shortcuts or artificial ingredients. Great for time-pressed couples, families with picky eaters, or singles that need a quick solution to dinner tonight, Jessica's two-course pairings are artfully conceived and perfectly complementary. Whether extolling the merits of a cheerful breakfast tray, conjuring up a winter picnic of figs and mulled wine, sharing delicious

Tuscan recipes, or suggesting a last-minute pre-theatre dinner, the sparkling writings of the society hostess and philanthropist Agnes Jekyll describe food for every imaginable occasion and mood. Originally published in *The Times* in the early 1920s, these divinely witty and brilliantly observed pieces are still loved today for their warmth and friendly advice and, with their emphasis on fresh, simple, stylish dishes, were years ahead of their time. William Makepeace Thackeray was one of the mid-19th century's most popular authors, and this is one of his famous works, which is still widely

read today.
