This book is for anyone who likes their romance with power exchange and a splash of darkness, especially fans of Addison Cain, Zoe Blake and Loki Renard. For fans of STORM AND FURY and MORTAL INSTRUMENTS. It's been over ten years since fifteen-year-old Zoey Taylor wandered away from her family home in the middle of the night. Or so she's been told, repeatedly, by her mother—but the only thing Zoey knows for sure is that when her older brother, Corinth, found her in the woods, safe and unharmed, she returned with a crippling fear of the dark and no other memories from those lost days—except strange flashes of sharp teeth and red-flaming hair. Since that time, she's become a star pupil and is on track to graduate early ... if and that's a big IF her overprotective family doesn't get in the way of her dreams first. But when one of the wealthiest, enigmatic philanthropists on the planet—Gabriel Stanton—shows up on her doorstep on Thanksgiving Day, and reveals the truth about what really happened to her all those years ago, it completely shatters her perception of the world. And the story isn't anything like what she's been told. The Ascended Guardians series is a supernatural thrill-ride that never lets up. Eat, Pray, Love meets The Rosie Project in this fresh, heartwarming memoir by a man who travels to Verona and volunteers to answer letters addressed to Shakespeare's Juliet, all in an attempt to heal his own heartbreak. When Glenn Dixon is spurned by love, he packs his bags for Verona, Italy. Once there, he volunteers to answer the thousands of letters that arrive addressed to Juliet—letters sent from lovelorn people all over the world to Juliet's hometown; people who long to understand the mysteries of the human heart. Glenn's journey takes him deep into the charming community of Verona, where he becomes involved in unraveling the truth behind Romeo and Juliet. Did these star-crossed lovers actually exist? Why have they remained at the forefront of hearts and minds for centuries? And what can they teach us about love? When Glenn returns home to Canada and resumes his duties as an English teacher, he undertakes a lively reading of Romeo and Juliet with his students, engaging them in passions past and present. But in an intriguing reversal of fate and fortune, his students—along with an old friend—instruct the teacher on the true meaning of love, loss, and moving on. An enthralling tale of modern-day love steeped in the romantic traditions of eras past, this is a memoir that will warm your heart. She wants a fake relationship. He needs something real. The Ravenswood Series #1: A Girl Like Her #1.5: Damaged Goods #2: Untouchable #3: That Kind of Guy "A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." -Meghan March, USA Today Bestselling Author Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lov-ah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. *** In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content. This is a book for people who are struggling to find their way out of a cave of anxiety, depression, and suicidal thoughts-and for anyone who cares for someone who's been lost in that cave. Suicide is now the leading cause of death among young adults 18-34, and the fourth-leading cause of death among the middle-aged. Just as a computer's hardware determines its foundational capabilities and its software determines how it interfaces with the world, humans' hardware is tied to our biology and our software dictates how we relate to others and ourselves. Together, these parts of our identity determine our functionality, limitations, and possibilities. We become the story we have decided to live inside. When Jesus said, "I have come to set captives free," He meant that He came to "de-bug" our programming. Jesus invites us to partner with Him to bring to the surface and then move past our debilitating bugs. This book is a conversation between a minister and a psychiatrist. Informed by the clinical realities of anxiety, depression, and suicide, the authors draw from the transformational relational strategies of Jesus to chart a path into life and freedom. The only way he'll agree to the story about the great and reclusive writer, D. B. Carter is if I agree to spend the week with him. He thinks that the reason that I left is that I don't want him. Nothing could be from the truth. He thinks I was insulted. He's wrong. I have a fire in my body that burns just for him. Still, I leave. He shouldn't have asked for something like that. All that it did was push me away. But I have to write this story to save my job. It won't be published for a while and

I'll have time to convince him to go on the record. At least, that's what I think. But then the article comes out and he shows up at my house. He's angry. I'm mad. What happens when that fire between us starts to ignite? What happens when he pulls me close and doesn't let go? Praise for Charlotte Byrd "BEST AUTHOR YET! Charlotte has done it again! Author Richard L. Gunderson, who has been an investor for more than forty years, outlines an enduring framework that improves the odds for the individual investor to exceed the performance of the market over the long term by buying good companies at bargain prices. He outlines what constitutes a good company and how to determine when a price meets the test of being a bargain. A Few Good Eggs in One Basket also helps individual investors by discussing what to look for; where to look; when to buy; when to sell; and how many stocks to own. A Few Good Eggs in One Basket presents a prescription designed to take advantage of opportunities created by market overreaction to bad news and disappointing results. Gunderson believes there are always bargains at any time and in any market. The challenge is to consistently apply a disciplined approach to identifying the unusual and favorable opportunities and concentrating a portfolio on those stocks representing the best combination of overall quality and intrinsic value.
