5 Language Visual Dictionary is a user friendly and intuitive reference for adults learning English, French, German, Spanish, or Italian. The only language dictionary of its kind, 5 Language Visual Dictionary makes language learning accessible by using photographs to put everyday words into context. Its thematic organization of 10,000 terms accompanied by more than 1,600 annotated color photographs and illustrations puts the perfect translation at your fingertips. Additional feature panels include abstract nouns and verbs, as well as useful phrases you can use in conversation. Whether you are a student, tourist, or business traveler, 5 Language Visual Dictionary is your comprehensive guide to learning English, French, German, Spanish, or Italian. The only up-to-date frequency dictionary of Spanish currently available, this is an invaluable tool for all learners of Spanish that provides a list of the 5,000 most commonly used words in the language. Based on a twenty million word corpus evenly divided between spoken, fiction and non-fiction texts from both Spain and Latin America, the Dictionary provides a detailed frequency-based list, as well as alphabetical and part-of-speech indexes to ensure maximum ease of access to the information and efficiency of use. All entries in the rank frequency list feature the English equivalent, a sample sentence and, where applicable, an indication of major register variation. The Dictionary also contains thirty thematically organized lists of frequently used words on a variety of topics, such as animals, weather, materials, and family terms. A CD version is available to purchase separately. Designed for use by corpus and computational linguists it provides the full text in a format that researchers can process and turn into suitable lists for their own research work This dual-platform multimedia CD-ROM provides the complete Deutsch heute video program as well as interactive practice for each lesson's vocabulary and grammar, providing immediate feedback for students so they can check their own progress. Each lesson includes: Games/Art, Listening-based activities, Video-based activities, Opportunities to record selected responses, Access to a grammar reference, Spanish-English glossary, Comprehensive progress report. Free with sale of the text. The DK Bilingual Visual Dictionaries introduce the vocabulary of the modern world in thematic order, using full-colour artworks and photographs to display and label all the elements of everyday life - from home and office to sport, music, nature, and beyond - with additional panel features on key associated nouns, verbs, and phrases. Every item shown is labelled or annotated, with the translation of each term given directly below. This creates a colourful and stimulating learning resource for the foreign-language and EFL/ESL student. The illustrations in the Dictionaries not only provide a quick and intuitive route to language learning and vocabulary reference (acting as a visual mnemonic), they also precisely define the word - showing what other dictionaries can only tell. When ordering a café au lait in Paris, calamari in Venice, or bratwurst in Munich, it helps to speak some of the native tongue. Rick Steves, bestselling author of travel guides to Europe, offers well-tested phrases and key words to cover every situation a traveler is likely to encounter. This handy guide provides key phrases for use in everyday circumstances, complete with phonetic spelling, an English-French/Italian/German dictionary, the latest information on European currency and rail transportation, and even a tear-out cheat sheet for continued language practice. Informative, concise, and practical, Rick Steves' French, Italian & German Phrase Book is an essential item for any traveler's backpack. Guten Tag! From ordering bratwurst in Munich to making new friends in the Rhine Valley, it helps to speak some of the native tongue. Rick Steves, bestselling author of travel guides to

Europe, offers well-tested phrases and key words to cover every situation a traveler is likely to encounter. This handy guide provides key phrases for use in everyday circumstances, complete with phonetic spelling, an English-German and German-English dictionary, the latest information on European currency and rail transportation, and even a tear-out cheat sheet for continued language practice as you wait in line at the Gemaldegalerie.

Informative, concise, and practical, Rick Steves' German Phrase Book and Dictionary is an essential item for any traveler's rucksack. A handy 3-in-1 German study book: grammar, verbs and vocabulary in one volume, ideal for beginners who need a clear and easy-to-understand German reference and revision guide. The DK German-English Bilingual Visual Dictionary introduces the vocabulary of the modern world through themed chapters filled with full-colour photographs and artworks which display and label all elements of everyday life. With sections ranging from home and work to leisure and the environment, every item is clearly labelled in German with the translation directly below. The German-English Bilingual Visual Dictionary is a colourful and stimulating learning resource ideal for all levels and ages. With more than 6,000 terms annotated, the illustrations in the dictionary provide a quick and intuitive route to learning a language, defining the words visually so it is easier to remember them. Learning German has never been easier! Organized by such common subjects as Home, Work, Eating Out, Transportation, Health and Sports, these bilingual visual dictionaries give students and business people quick access to foreign terms in the simplest and most intuitive way. Setting aside the pastiche of bullfighters and flamenco dancers that has dominated the U.S. image of Spain for more than a century, this innovative volume uncovers the roots of Spanish studies to explain why the diversity, vitality, and complexity of Spanish history and culture have been reduced in U.S. accounts to the equivalent of a tourist brochure. Spurred by the complex colonial relations between the United States and Spain, the new field of Spanish studies offered a way for the young country to reflect a positive image of itself as a democracy, in contrast with perceived Spanish intolerance and closure. *Spain in America* investigates the political and historical forces behind this duality, surveying the work of the major nineteenth-century U.S. Hispanists in the fields of history, art history, literature, and music. A distinguished panel of contributors offers fresh examinations of the role of U.S. writers, especially Washington Irving and Henry Wadsworth Longfellow, in crafting a wildly romantic vision of Spain. They examine the views of such scholars as William H. Prescott and George Ticknor, who contrasted the "failure" of Spanish history with U.S. exceptionalism. Other essays explore how U.S. interests in Latin America consistently colored its vision of Spain and how musicology in the United States, dominated by German émigrés, relegated Spanish music to little more than a footnote. Also included are profiles of the philanthropist Archer Mitchell Huntington and the pioneering art historians Georgiana Goddard King and Arthur Kingsley Porter, who spearheaded U.S. interest in the architecture and sculpture of medieval Spain. Providing a much-needed look at the development and history of Hispanism, *Spain in America* opens the way toward confronting and modifying reductive views of Spain that are frozen in another time. *The Position of the German Language in the World* focuses on the global position of German and the factors which work towards sustaining its use and utility for international communication. From the perspective of the global language constellation, the detailed data analysis of this substantial research project depicts German as an example of a second-rank language. The book also provides a model for analysis and description of international languages other than English. It offers a framework for strengthening the position of languages such as Arabic, Chinese, French, Portuguese, Spanish and others and for countering exaggerated claims about the global monopoly position of English. This comprehensive handbook of the state of the German language in the world was originally published in 2015 by Walter de Gruyter in German and has been critically acclaimed. Suitable for scholars and researchers of the German language, the handbook shows in detail how intricately and thoroughly German and other second-rank languages are tied up with a great number of societies and how these statistics support or weaken the languages' functions and maintenance. Representing a variety of disciplines, the twenty-one essays of this volume explore the numerous ways in which the two linguistic and cultural groups have shared and transformed each other's literature and art, politics and history."--BOOK

JACKET. Are you a beginner to Spanish who wants to learn the language in a fast and simple way? Have you tried learning Spanish through classical grammar lessons or a Spanish app teaching you stuff you will never use in real life? You see, we don't believe that you have to struggle to learn Spanish. A Frequency Dictionary of Spanish has been fully revised and updated, including over 500 new entries, making it an invaluable resource for students of Spanish. Based on a new web-based corpus containing more than 2 billion words collected from 21 Spanish-speaking countries, the second edition of A Frequency Dictionary of Spanish provides the most expansive and up-to-date guidelines on Spanish vocabulary. Each entry is accompanied with an illustrative example and full English translation. The Dictionary provides a rich resource for language teaching and curriculum design, while a separate CD version provides the full text in a tab-delimited format ideally suited for use by corpus and computational linguistics. With entries arranged both by frequency and alphabetically, A Frequency Dictionary

of Spanish enables students of all levels to get the most out of their study of vocabulary in an engaging and efficient way. Transform your down time into 'do time'. The most successful language learners create a habit of studying on a regular basis. 50 German Coffee Breaks makes it easy to master a simple routine of improving your German by effortlessly integrating it with your calming daily ritual - from a 5-minute espresso to a 15-minute latte. Ideal for Spanish revision. ¿Habras español? (Do you speak Spanish?) You can say sì with this fun and educational coloring book. More than 60 pages of kid-friendly illustrations and easy vocabulary, accompanied by pronunciation guides, offer a fun and memorable way to learn a new language. Terms include days of the week, months, food, and clothing as well as simple phrases such as "Excuse me" and "What's your name." An outstanding and essential resource for anyone who interacts with non-English speakers. Labeled drawings provide a wide range of everyday terms from the telephone to human anatomy in English and German. The technical progress of the 20th century has led to revolutionary changes in the world of commerce, which have proceeded at an increasingly fast pace since the end of the Second World War. Trade has become internationalized. The container and, later, the computer have made many long-established business routines obsolete and required the creation of new ones. Today's businessmen must be equipped with a knowledge of economics, finance, law and technology in order to be able to make the right decisions. This work is an attempt to reflect the complexity of modern commerce. Terms have been selected from a wide range of fields, including economics, finance, banking, stock-broking, customs procedures, and shipping. Account has also been taken of the fact that not all countries in the world are at the same level of development and so a number of older terms relating to customs procedures and piece-goods shipping procedures have been retained. Unlike the majority of such works, this book includes Swedish equivalents as an acknowledgement of the importance of the Nordic countries in world trade. A portable visual inventory of today's world listing thousands of words and concepts in five different languages. *Covers English, Spanish, French, German, and Italian *Thousands of images with each term identified in five languages *Perfect for school or college, travel, home study, or browsing It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more. From ordering tapas in Madrid to making new friends in Costa del Sol, it helps to speak some of the native tongue. Rick Steves, bestselling author of travel guides to Europe, offers well-tested phrases and key words to cover every

situation a traveler is likely to encounter. This handy guide provides key phrases for use in everyday circumstances, complete with phonetic spelling, an English-Spanish and Spanish-English dictionary, the latest information on European currency and rail transportation, and even a tear-out cheat sheet for continued language practice as you wait in line at the Guggenheim Bilbao. Informative, concise, and practical, Rick Steves' Spanish Phrase Book and Dictionary is an essential item for any traveler's mochila. Dictionary English, French German and Spanish Picture dictionary. Organized by such common subjects as Home, Work, Eating Out, Transportation, Health and Sports, these bilingual visual dictionaries give students and business people quick access to foreign terms in the simplest and most intuitive way. Want to learn Spanish fast? This practical, user-friendly, and uniquely visual Spanish language course is perfect for busy people. Teach yourself Spanish in just 12 weeks with DK's Complete Language Pack, which includes an easy-to-follow course, a pocket-sized Spanish phrase book, and a guide to the essentials of Spanish grammar. The course book in this comprehensive starter pack is DK's 15 Minute Spanish, which has 12 chapters spanning a range of practical themes, including socializing, business, food and drink, travel, and shopping. Each chapter is broken down into 15-minute lessons, which combine vocabulary and grammar essentials with attractive full-colour photographs. Review modules help you track your progress and identify where you need further practice. The Complete Language Pack also contains a visual Spanish phrase book - including the essential words and phrases you need to get by in Spanish - and a guide to the basics of Spanish grammar. Two free audio apps (one for the 15 Minute book and one for the phrase book) enable you to hear Spanish words and phrases spoken by native speakers. Use the apps alongside the Language Pack's easy-to-use pronunciation guides to perfect your pronunciation and practise Spanish conversation in real-life situations. Whether you're starting from scratch or want to brush up your Spanish, the Complete Language Pack makes Spanish language learning quick, easy, and fun. The home of trusted German dictionaries for everyday language learning. This new edition offers up-to-date coverage of the new German spelling reform. Both old and new spellings are included making it easy to find the right word. Easy-to-carry or to tuck into a suitcase, this handy reference provides students, travelers, and business people with the tools to understand a wide range of written and conversational language, and essential vocabulary from today's increasingly hi-tech world, such as: "download," "cyberspace," and "World Wide Web." Special Features: Comprehensive coverage of German spelling reform. Includes both new and old German spellings. Over 32,000 words and phrases and 45,000 translations. Includes coverage of idioms, abbreviations, acronyms, and proper nouns, and pronunciation guides. Pocket-sized - easy to take on a trip. Includes 70,000 words, phrases, and examples presented in two sections: American-style English to German, and German to English. Spain has for too long been considered peripheral to the human catastrophes of World War II and the Holocaust. This volume is the first broadly interdisciplinary, scholarly collection to situate Spain in a position of influence in the history and culture of the Second World War. Featuring essays by international experts in the fields of history, literary studies, cultural studies, political science, sociology, and film studies, this book clarifies historical issues within Spain while also demonstrating the impact of Spain's involvement in the Second World War on historical memory of the Holocaust. Many of the contributors have done extensive archival research, bringing new information and perspectives to the table, and in many cases the essays published here analyze primary and secondary material previously unavailable in English. Spain, the Second World War, and the Holocaust reaches beyond discipline, genre, nation, and time period to offer previously unknown evidence of Spain's continued relevance to the Holocaust and the Second World War. The Five Language Visual Dictionary puts the perfect English, French, German, Spanish or Italian translation at your fingertips. Fully revised and updated, This illustrated dictionary is organised into 15 different themes, including eating out, work, transport and entertainment, giving you quick and easy access to the word you need. Including over 10,000 terms labelled in English, French, German, Spanish and Italian, plus feature panels which list essential abstract nouns, verbs and useful phrases. Offering the most user-friendly and intuitive reference for language learning, the Five Language Visual Dictionary makes it simple to learn and retain important vocabulary.
